2019 NANS Program Book Advertising Opportunities

Advertising in the 22nd Annual Meeting Program Book offers you concentrated exposure to more than 1,800 specialists in the field of neuromodulation who are expected to attend the 22nd Annual Meeting, as well as more than 1,400 NANS members who will view the program book on the NANS website, www.neuromodulation.org. The program book features the complete listing of educational sessions, presenters, meeting events, and exhibit activities.

Printing Specifications

The program book is printed via DocuTech using a 110-line screen and is perfect bound. Halftone images should be 1,200 ppi.

Ad Materials

Digital composite ads are acceptable in the following formats: EPS or PDF formats, with all images and fonts embedded, and TIFF or JPEG formats at 1,200 ppi with no compression applied. Our printing methods produce pleasing color, and we do not require a high-end color proof.

If you have more exacting color requirements, please send a match print or color-calibrated professional proof.

Request for Space Due: November 1, 2018

No cancellations will be accepted after this date.
